THE COLLEGE GARDEN:

The beautiful college campus, with its magnificent ambiance, is spread over 39 acres. The campus soil is reddish, rugged, and rocky, with low fertility. The premises also face a water shortage. Drip irrigation systems with sprinklers have been installed, the depths of two wells have been increased, and submersible pumps have been added to help alleviate the water shortage. The total garden area is now 106,134 sq. ft. (9,860.17 sq. meters), developed through the efforts of Dr. S.S. Jadhav (Head, Department of Botany) and students. Plants from 128 families are represented, including:

1) 19 varieties of fruit plants
2) 21 varieties of medicinal plants
3) 21 varieties of forest and shade plants

GYMKHANA AND SPORTS:

The college gymkhana was established in 1986. The gymnasium is well-equipped with equipment such as treadmills, dumbbells, weightlifting sets, chest and arm expander benches, and stationary cycles. Student participation and achievements at national and international levels have become a regular feature of the institution.

CULTURAL ACTIVITIES:

The college actively encourages students to participate in various cultural activities. It supports student participation in inter-collegiate, district, and inter-university events such as: Yuva Mahotsav, Freshers' Party, Farewell Functions, and Alumni Meets. Students participate in events such as poetry

conventions, dancing, singing, drama, one-act plays, mime, traditional dress competitions, quiz contests, and debates. Over 50 students participate in the Yuva Mahotsav each year. The Cultural Committee oversees all cultural activities and events.

THE RESIDENTIAL QUARTERS

The college has six residential quarters for teaching staff and five for non-teaching staff.

THE HOSTEL:

The College is unique in the district which offers Higher Education in Humanities, Commerce, Science and Law. As a result, many students from rural areas seek admission.

Recognizing this need, the governing body-initiated hostel facilities for both boys and girls, which operated with full amenities until 1986. However, due to changing circumstances, because of establishment of new colleges in the city, Government hostels (by the Social Welfare Department) with all facilities, and availability of private hostels in the city, the demand for college hostels declined.

The college management decided to discontinue its hostel facility and have resolved to restart it if demand resurfaces. Currently, most students stay in government or private hostels.

NOTE: If any student wishes to seek hostel accommodation, they are advised to contact the Principal within 15 days of admission. The management is ready to resume hostel facilities on a no-loss, no-profit basis, if needed.
